

Memorial Garden

Located on Church Road, our Memorial Garden is dedicated to the memory of deceased friends, relatives and loved ones of this parish. We hope that you will find the garden a fitting place to have a flower planted in memory of your loved one and also a place where you can find some peace amidst the trials and turmoil of life. If you would like to have a flower planted in the garden please fill out the form on the reverse of this flier. May God's peace be with you.

**THIS GARDEN IS DEDICATED TO MEMORY
